PROFILE

Creative Multimedia Designer with **6+ years** across branding, motion graphics, 3D visualisation and video production. Trained inside a Sri Lankan marketing agency on national brands in cinema, tea, restaurants and education, then spent over two years at **Kimp.io**, a design services agency, on a night-shift roster serving **US and Canadian clients** across insurance, hospitality, real estate, healthcare, aerospace and creator brands. Now in-house at a Qatari multi-brand group, leading day-to-day creative for two operating brands while launching new ones from scratch, working end to end from a single campaign post to photoreal 3D that gets a build signed off before construction.

EXPERIENCE

Creative Designer · Al Sharqi Holdings

Mar 2026 - Present · Lusail, Qatar

GROUP BRANDS **HiWash** **Mr Valet** **Skyora** **Spotlight** **Infinity Hospitality**

- **Multi-brand ownership:** Sole in-house designer covering **HiWash** (car wash, est. 2005) and **Mr Valet** (valet services, Qatar & UAE) day to day, within a group of more than ten brands spanning hospitality, real estate and manpower services.
- **3D visualisation (Blender):** Photoreal environments used to approve builds before construction, the HiWash station at Al Maha Island, a retail booth, and the Mr Valet West Walk valet point, including animated walkthroughs.
- **New brand launches:** Initiated the **Skyora** real estate property catalogue and launch social campaign, and develop creative for new group ventures that arrive without a name or an existing brand guideline.
- **Print & environmental:** Vehicle and trolley wraps, roll-ups, banners, flyers, nametags, an employee handbook, a company profile and a company newsletter.
- **Social & campaigns:** Daily and campaign creative including bilingual Arabic and English posts and multi-slide carousels, sized and adapted per platform.
- **Motion, presentation & AI:** Motion graphics and mock-up videos that show the work in place before production, plus pitch-deck design and AI-assisted concept visualisation, including a luxury perfume concept presented as a client gift proposal before any physical sample existed.

Senior Graphic Designer · Kimp.io

Sep 2023 - Feb 2026 · Remote

CLIENT SECTORS **Insurance** **Hospitality** **Real Estate** **Healthcare** **Education** **Restaurants** **Creators**

- Delivered **6-9 creative projects daily** on a night-shift roster serving **US and Canadian clients**, consistently inside tight turnarounds.
- Produced brand guidelines, logo systems, presentations, social carousels, animated social content, photo editing and retouching, and fully designed print-ready ebooks and PDF books.
- Built **presentation and pitch decks** across regulated and technical sectors, translating dense subject matter into clear visual narrative for non-specialist audiences.
- Worked in a shared production model rather than one designer per brand, originating designs and picking up other designers' revisions across rotating briefs, building fast adaptation to unfamiliar brand systems.

Graphic Designer · Neo Digital Image

Feb 2022 - May 2023 · Sri Lanka

CLIENTS **Scope Cinema** **Akbar Tea** **Akbar Coffee** **Bajaloco**

- Marketing agency serving national Sri Lankan brands, delivering social campaigns, branding material and digital marketing assets against client objectives.
- **Scope Cinema:** Motion graphics and social campaign design, with animated work screened in cinema theatres.
- **Akbar Tea & Akbar Coffee:** Social media design for a leading Sri Lankan tea export brand and its coffee line.
- **Bajaloco:** Menu design, social media, motion graphics and animation for a Mexican restaurant brand.
- Extended beyond the graphic design remit into animated posts, stories, reels and promotional video across the client roster.

- Branding, social campaigns, marketing creative, product mock-ups, album artwork and advertising for international clients across multiple industries.
- Built repeat client relationships through reliable, on-time delivery.
